

# Abed El Razzak

## Shreim

I'm a full stack web developer with an interest for Mechatronic systems.  
I'm passionate about drawing, science and new technologies, and I'm always curious to learn more!

## Experience

---

22 years old

Lebanese nationality

Bsc in Mechatronics Technology,  
at MUC university.

### 1. Full Stack Web developer intern at Way2Go digital

6/26/2023 → 7/26/2023

- worked within a team of 4 developers on an e-commerce project, used REACTJS and PHP to build restful APIs and the Database.

- Coordinated with BLOM bank to correctly configure the payment gateway API.

### 2. Full Stack Web developer at Way2Go digital

7/26/2023 → 11/30/2023

- Worked within a team of 4 developers on several projects using ReactJS, php and WordPress.

- Built business websites and maintained e-commerce and other premade websites, and built Restful APIs.

- Coordinated with the clients via email to make changes.

- Did IT administration i.e. created company outlook accounts for new interns and employees, and did troubleshooting for anything IT related.

### 3. FreeLancing

12/01/2023 → present

- I successfully completed four diverse projects utilizing WordPress, JavaScript, and CSS. These projects encompassed informative, business-oriented, and e-commerce websites. I got to work on these projects through leveraging referrals.

- The projects are for Dentrooper, Fleurie flower shop, Navigate Success, MUC university.
